3 Letter No H3 5468 396 of 46 47 dated 6th December 1947 from the Director of Public Instruction regarding the revision of the scales of pay of the employees of Municipal High Schools in the State

ORDER No E 4440 61—EDN 187 47 3, DATED BANGALORE, THE 13TH NOVEMBER 1948

Government in their Order No E 1530 1—Edn 121 31 8, date 3rd November 1932, read above sanctioned the following authorised scales of pay for teachers and others in the Municipal High Schools —

		Rs
1	Head Masters	100—5—150
2	Assistant Masters—(i)	60—4—80
	Do (ii)	40—4—60
3	Commerce Teachers	40—4—60
4	Pandits and Moulvis	30—3—45
5	Drawing Masters	30—2—40
6	Drill Instructors	20
7	Clerks	20
8	Peon	10

2 The above scales of pay existing at present in the Municipal High Schools were adopted about two decades back when the first Municipal High Schools at Sagar and Dodballapur were sanctioned and the same scales are being sanctioned in respect of every Municipal High School opened since then though vast changes in the economic and other conditions of the State have taken place In view of the high rise in the cost of living and the difficulty in securing qualified candidates for appointment on the scales existing in these schools, the managements of these schools are obliged to offer a higher starting pay ranging from Rs 52 to Rs 60 in the grade Rs 40—4—60, whenever candidates are required for appointment in their schools

3 Though there was urgent need to take up the question of the revision of the scales of pay of the employees in the Municipal High Schools as in the case of the Government employees, the question could not be considered by the Pay Revision Committee as it did not form one of the terms of reference of that Committee Since then there has been a good deal of agitation both in the Press and outside to take up the question of improving the pay and prospects of the employees of the Municipal High Schools to meet the requirements of the present abnormal conditions

4 The Director of Public Instruction states that as the work and responsibilities which the teachers of the Municipal High Schools are required to bear are in no way less onerous than those of their colleagues in the Government and other

No F 4440 61—Edn 187 47 3, dated 13th November 1948

Aided High Schools, it is but fair to allow in their case also the same scales of pay as exist for the staff of the Government High Schools with suitable modifications He also states that in view of the large number of Municipal High Schools existing and those to be opened in future and in view of the smallness in size of a majority of these schools, it may not be feasible to adopt for the Head Masters of the Municipal High Schools, the scale of pay sanctioned for Head Masters of the Government High Schools He considers that it would be enough if the existing scale of Rs 100—5—150 is revised into two grades—one on Rs 170—10—250 and the other on Rs 130—10—200—the ratio between the higher and the lower grades being 1 5 and accordingly proposes revised scales for the Head Masters and other employees of the Municipal High Schools as detailed in the statement appended He requests sanction to the revision of the scales of pay of the employees as proposed with effect from 1st January 1947, the general principles in regard to fixing the initial pay, granting advance increments, etc , laid down in the Government order, dated 21st September 1947 and the subsequent Government orders being applied to the employees in these schools also

5 The proposals of the Director of Public Instruction are sanctioned

6 The extra cost involved in the revision of the scales of pay as proposed will be approximately Rs 4,17,355⅓ per annum and the average extra cost to Government on account of payment of grants will be Rs 3,13,016⅔ per annum The extra cost required in this behalf during the year 1948 49 will be met from the sanctioned grants of the Education Department for the year and the necessary provision will be made in the budgets of the Department for the succeeding years
